

Gabrielle Anne Denise M. Garcia
LIS 161 – WWX1

Project / Website Title:

All About Simoun

Introduction:

The website is a blog site of the developer's pet, Simoun. The developer was inspired by the twitter account "Thoughts of Dog" (https://twitter.com/dog_feelings) wherein the account posts daily musings of a dog.

Developer:

Name or Business Name: Denise Garcia

Contact Information:

Phone: +639054411552

Email: nisegarcia@gmail.com

Intended User/ Client:

Anyone can read the content of the website. S/he can see the blogs, about page, contact details, and could also search for content of the site. The client, Simoun, is the only one who could create, update, and delete blog entries in the website.

Site Design:

I. Structure or Site Map

- Home
- Blog
- About
- Contact
 - o Contact details
 - o Location (Google map)
- Log In
- Search

II. Functional Requirements

- Member login, create, update, delete entries
- Search, retrieve specific blog entries
